

SPONSOR THE ENGAGE TALENT ROUNDTABLE

Engage Talent Roundtable

The Talent Roundtable is a core component of the Engage Mentoring Program. It convenes people-focused leaders, both executive level and strategic human resource leaders in peer mentoring and learning on topics related to attracting, retaining and developing talent. This platform provides relationship-building opportunities, best practice knowledge sharing from national experts and problem-solving in an interactive forum with peers across various industries, strengths, and experiences.

- > peer mentoring from 10-15 executives
- > quarterly sessions
- > keynote speakers on various talent topics
- > expert facilitators
- > structured problem solving and innovation activities

Sponsor a Roundtable Experience

Host a Talent Roundtable at your designated facility and assist in extending invitations to top talent executives in your area. The Engage Mentoring program is a high-impact talent development program that impacts the community and helps clients develop and refine their strategy for attracting, retaining, and developing talent. Your sponsorship provides visibility to your current clients and prospects will allow you to build relationships with prospective new clients, while deepening relationships with existing clients by providing a value-added experience.
